

SWIMSPA AMAZON

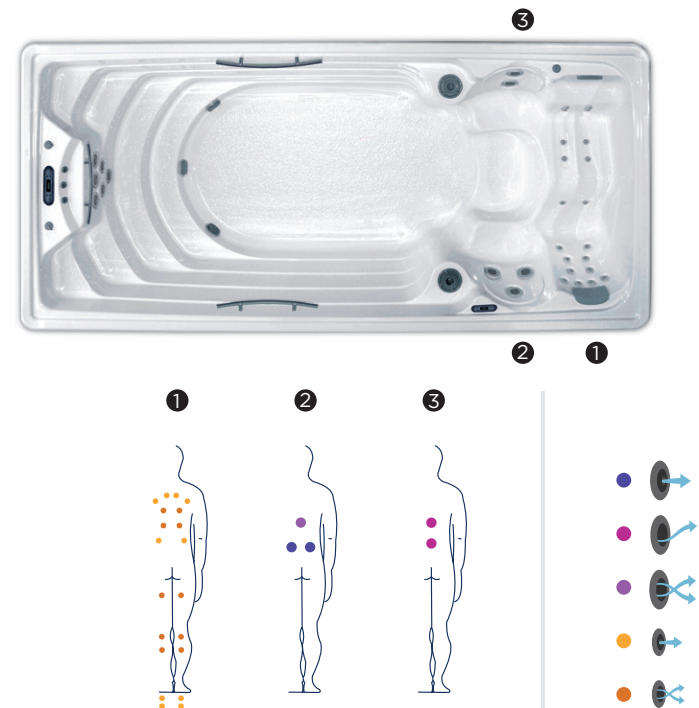

The Amazon is an impressive pool designed for practising sport combined with a hydrotherapy area that holds three people.

The hydromassage area is made up of one lounge and two seats that have been ergonomically designed to obtain the best possible comfort.

The bathing area comes with large stairs as well as 3 stainless steel rail for simple access.

A water current generated by five turbojets enables swimmers to swim countercurrent and thus keep fit in their home hot tubs.

Positions: 3 (2  / 1 ) **Measures:** 500 x 230 x 138

This model comes in two formats:

Amazon: Version with an outer cabinet, all equipment required inside the spa and two cartridge filters. This product just needs to be connected to a power supply and filled with water before it can be used.

Amazon In-ground: Version without an outer cabinet with a metal structure and a kit (Swimspa Kit, ref. 64972) for in-ground installation that includes all electrical equipment and a sand filter to ensure high quality filtration. This product requires installation.

SWIMSPA AMAZON

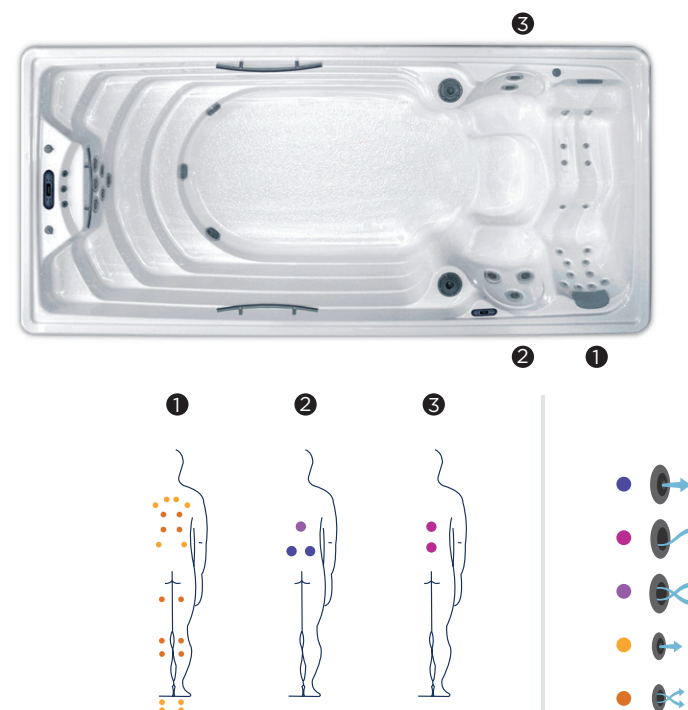

Le Spa Amazon est une piscine impressionnante conçue pour réaliser des exercices sportifs combinés avec une zone d'hydrothérapie de 3 places.

La zone d'hydromassage est composée d'une position allongée et de deux places assises ergonomiques soigneusement conçues pour obtenir le meilleur confort.

La zone de baignade dispose de larges escaliers de chaque côté du spa, ainsi que 3 barres en inox pour une plus grande facilité d'accès.

Un courant d'eau, généré par 5 turbojets permettra de nager à contre-courant et de se maintenir en forme.

Positions: 3 (2  / 1 ) **Dimensions:** 500 x 230 x 138

Ce modèle est présenté sous deux formats:

Amazon: version habillage, doté de tout l'équipement intégré à l'intérieur du spa, et de deux filtres à cartouche. Ce produit ne requiert qu'un branchement électrique, et le remplissage d'eau pour sa mise en marche.

Amazon In-ground: version de l'Amazon encastrable, avec structure métallique et un kit externe (Kit Swimspa, réf. 64972) qui intègre tout l'équipement électrique ainsi qu'un filtre à sable permettant d'assurer une filtration de grande qualité. Ce produit requiert une installation spécifique.

SWIMSPA AMAZON

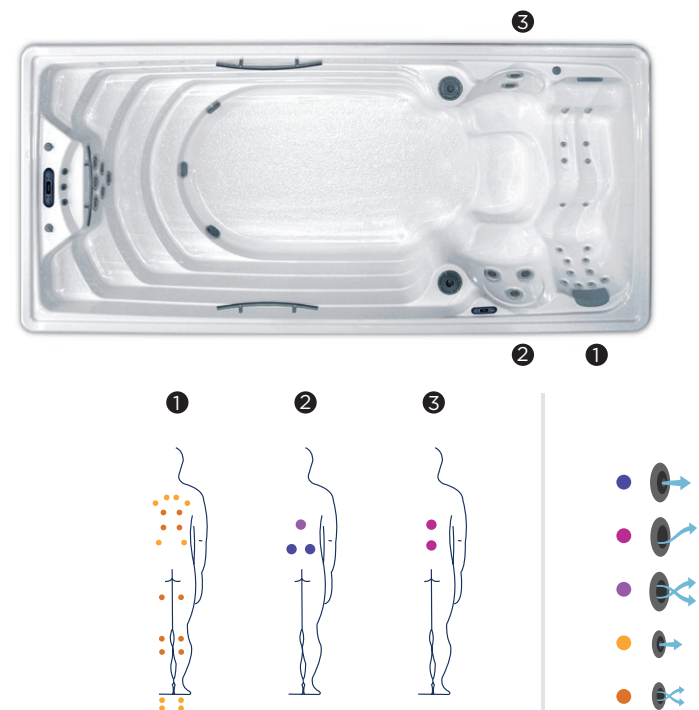

El spa Amazon es una impresionante piscina diseñada para la práctica deportiva combinada con una zona de hidroterapia con 3 plazas.

La zona de hidromasaje está compuesta por una tumbona y dos asientos ergonómicos cuidadosamente diseñados para obtener el mejor confort.

La zona de baño dispone de unas amplias escaleras de acceso así como 3 barras de soporte fabricadas en acero inoxidable.

Una corriente de agua generada por 5 turbojets permitirá nadar contracorriente y mantenerse en forma en su propia casa.

Posiciones: 3 (2  / 1 ) **Medidas:** 500 x 230 x 138

Este modelo se presenta en dos formatos:

Amazon: versión acabada con mueble exterior, o sin mueble, para empotrar, con todo el equipamiento incluido en el interior del Spa y con dos filtros de cartucho. Se trata de un producto que solamente requiere la conexión eléctrica y el llenado de agua para su puesta en marcha.

Amazon In-ground: versión del Amazon acabado sin mueble, con estructura metálica y un kit externo (Kit Swimspa, ref. 64972) que incluye todo el equipamiento eléctrico así como un filtro de arena para asegurar una filtración de alta calidad.

SWIMSPA AMAZON

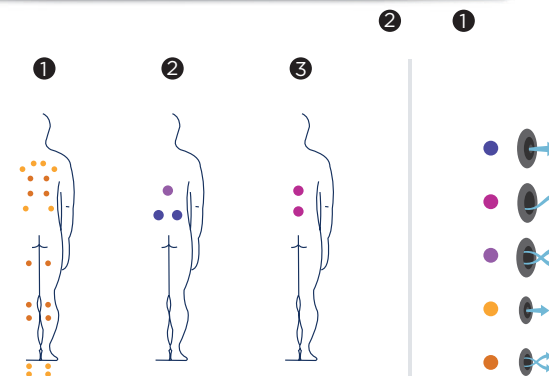

La spa Amazon è un'impressionante piscina progettata per la pratica sportiva combinata con una zona di idroterapia a 3 posti.

La zona di idromassaggio è composta da un lettino e due sedili ergonomici attentamente progettati per ottenere la massima comodità.

La zona della vasca dispone di ampie scale di accesso e di 3 barre di sostegno fabbricate in acciaio inossidabile.

Una corrente d'acqua generata da 5 turbojet permetterà di nuotare controcorrente e mantenersi in forma a casa propria.

Posizioni: 3 (2  / 1 ) **Misure:** 500 x 230 x 138

Questo modello si presenta in due formati:

Amazon: versione rifinita con mobile esterno, o senza mobile, da incasso, con tutto l'equipaggiamento incluso all'interno della spa e con due filtri a cartuccia. Si tratta di un prodotto che per la messa in funzione richiede solo il collegamento elettrico e il riempimento di acqua.

Amazon In-ground: versione della Amazon rifinita senza mobile, con struttura metallica e un kit esterno (Kit Swimspa, rif. 64972) che include tutto l'equipaggiamento elettrico e un filtro di sabbia che garantisce un filtraggio di alta qualità.

SWIMSPA AMAZON

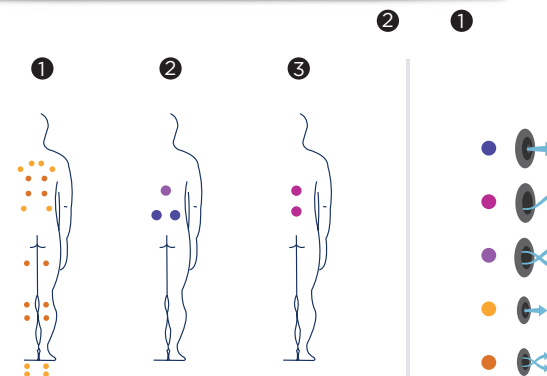

De Amazon is een indrukwekkend zwembad, ontworpen voor het beoefenen van sport, met een hydrotherapiezone voor drie personen.

De hydromassagezone bestaat uit één ligplaats en twee zitplaatsen die ergonomisch zijn ontworpen voor een maximum aan comfort.

De zwemzone heeft brede treden en 3 roestvrijstalen stangen voor een optimale toegankelijkheid.

Vijf turbojets genereren een waterstroom zodat gebruikers tegen de stroom in kunnen zwemmen en zo aan hun conditie kunnen werken.

Posities: 3 (2  / 1 ) **Afmetingen:** 500 x 230 x 138

Dit model is verkrijgbaar in twee formaten:

Amazon: Versie met een buitenraamwerk, al het nodige materiaal in de spa en twee patroonfilters. Dit product is gebruiksklaar, gewoon voorzien van stroom en vullen met water.

Amazon In-Ground: Versie zonder raamwerk met een metalen structuur en een kit (ref. 64972) voor inbouwinstallatie met de nodige elektrische uitrusting en een zandfilter voor filtratie van hoge kwaliteit. Dit model moet worden geïnstalleerd.
